A roundup of news, updates, and opportunities in our parish

Water Main Improvement Works at Goosecroft

Many of you will have noticed the recent works taking place at Goosecroft, which are now nearing completion. We wanted to take this opportunity to explain a little more about why these works were needed and what they mean for the site.

Goosecroft is home to a number of important community facilities, including the Parish Office, historic barn, burial ground, Purley Sports and Social Club, sports pavilion, playground, and sports fields. Over time, although use of the site has grown significantly, the water supply has never been upgraded to reflect the increased demand. This has resulted in frequent occurrences of very low water pressure.

Following discussions with Thames Water, it became clear that the water supply comprised original domestic service for the site. It was therefore recommended that a new, larger, water main should be installed to provide a more suitable and reliable supply for our community buildings and facilities, whilst also providing scope for further expansion should it be required.

These improvements will help ensure that Goosecroft continues to function effectively as a key community space, with a more robust and reliable water supply to support current activities and future needs.

District Reorganisation – Survey Results as of 16 January 2026

Thank you to everyone who has taken part in the Parish Council's survey on the district reorganisation proposals. The response so far has been excellent and shows a strong level of engagement with this important issue.

As of 16 January 2026, we have received 507 responses, with 392 from residents of Purley on Thames, 95 from Tilehurst, and 20 from other areas (including Calcot and Pangbourne).

The results to date show a strong preference for the 'Ridgeway Council' proposal, with 88.2% of respondents supporting this option. 10.3% of respondents favour the Reading Council proposal to amalgamate with Reading, while 1.5% have indicated no overall preference.

If you haven't yet had your say, there is still time to take part, and we would encourage you to do so. You can access the survey here: [District Council Restructuring Survey](#). The final results will be shared once the survey has closed and all responses have been fully analysed.

The Parish Council has also shared these preliminary survey results with our local Member of Parliament, Olivia Bailey, and our former MP, Alok Sharma.

Here's to an informative first edition of 2026 – enjoy!

Clerk, Purley on Thames Parish Council*

This service will make it easier for residents to understand if they need to submit a planning application for items such as solar panels, loft conversions, adding an outbuilding or adding a dropped kerb. You can access this new service on the West Berkshire Council ["Do I need Planning Permission?"](#) webpage.

West Berkshire Council also offer planning pre-application advice service for which a fee is chargeable. More information about this can be found on the West Berkshire Council's [pre-application advice service](#) webpage.

Reading's Trolleybuses – a talk by Dave Hall

Friday 20th February

7.30pm

The Large Barn, Goosecroft, Purley on Thames

Members free, non-members £5

Our talk this evening begins by briefly looking into the early days of public transport in Reading and the reasons behind the decision in 1934 to replace the remaining tram routes with trolleybuses. It will then move on to the post war years when further routes were converted to trolleybus operation and features many photos showing both the trolleybuses and various shops/buildings and cinemas that have long since disappeared. The decision taken in 1966 to cease trolleybus operation in the town and their demise will also be covered. Finally, it takes a brief look at those Reading trolleybuses that are preserved and operate at The Trolleybus Museum at Sandtoft, North Lincolnshire.

Guests and visitors very welcome. Membership of the Society costs just £26 for two people at the same address or £18 for one person and lasts until the end of December 2026.

Tuesday 3rd February 2 – 3pm - Tour of St Barnabas Church, Peasmore - £5 – pre-booking required

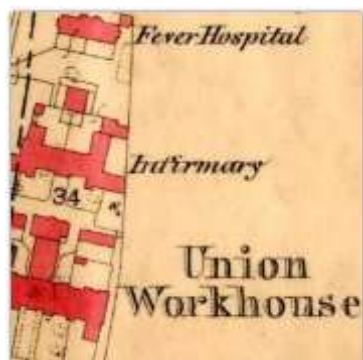

The current church dates from 1842, but this isn't the first religious building built on this site, so we will also hear about its predecessors, including the earliest, a chapel built about 1089 by Richard de Peasmore, and dedicated to St Peada. We will also learn about the parish and its notable families and people.

Thursday 19th February 2.30 – 3.45pm – Talk – “Reading’s Buses” by Dave Hall - £5 – pre-book or pay at the door, Abbey Baptist Church, Abbey Square, Reading RG1 3BE

This photo-rich talk will look at Reading Corporation's motorbus services from their launch in 1919 until the end of the century, 1999. We will see how the design of the vehicles progressed, and the many routes that were introduced.

Thursday 26th February 2 - 3.15pm – Online Talk “Social Care in Reading: the Middle Ages to 1900” by Mike Cooper - £5 – pre-booking required

Our ancestors often fell on hard times, and this talk looks at how Reading provided housing, relief and care for its people, long before modern concepts of “welfare” came in. Mike will include the work of the Abbey, alms houses and the Corporation.

We would like to provide information of any activities that local clubs or societies are undertaking within the village or that might be of interest to residents of Purley on Thames. These can be regular or one-off events. If you would like us to include a bit about your event, please email [Cathy our Administrative Clerk](#) with the details.

Community Orchard Update

Together, we've started something special for the Purley community!

The Journey So Far

- Identifying a suitable location - Bucknell's Meadow
- Progressing through the planning process
- Completing the necessary formal surveys
- Sought advice from the experienced Blewbury Orchard Team, The Parish Council and our enthusiastic residents and committee
- We ordered 13 trees - a mix of apples, pears and plums
- We dug holes, and planted the trees in December with help from residents
- We have been fortunate to receive sponsorship of all the trees in this Tranche

Thank You - A heartfelt thank you to all **volunteers**, past and present, Rotary Club, Purley Park Trust, our donors and the **Parish Council** for the continued support

What's next....

- We're optimistic about the success of this trial orchard, and we'll continue to monitor progress carefully and cost effectively
- We need everyone to keep a watchful eye on the trees and any antisocial behaviour and report anything that may be untoward.
- We will hopefully plan future purchases of more trees to continue to build on the Orchard and will seek further donors shortly.
