December 2025, Issue 98

**We wish all our readers a Merry Christmas and
a Happy New Year**

Introduction

As we approach the end of the year, the Parish Council would like to share a few updates and reminders about local initiatives, opportunities, and community events.

Small Grants Scheme 2025/26

Purley on Thames Parish Council is pleased to support local groups and organisations through our Small Grants Scheme for 2025/26. Grants are available to help fund projects, initiatives, or essential equipment that benefits the community.

Funding is limited, so please provide as much detail as possible about how the grant will be used. If your request includes multiple elements, please itemise them – partial funding may be available if the full request cannot be met.

Before applying, check the Grants Policy to ensure eligibility. Completed forms and supporting documents must be submitted by **31 January 2026**.

For more information or to apply, contact the Clerk or visit: www.purleyonthames-pc.gov.uk/grants/

Allotments - Register Your Interest

Our allotments continue to be a popular way for residents to grow their own produce and enjoy time outdoors. The current waiting list is short, and we are always keen to hear from residents who may be interested in future vacancies. Whether you are an experienced gardener or just starting out, the allotments offer a rewarding way to connect with nature and meet fellow community members.

If you would like to be added to the waiting list or simply want to find out more about what's involved, please get in touch with the Parish Council. We would love to help you get growing!

Christmas Market: Join Us for a Festive Day Out!

We are delighted that the Friends of Purley Barn Christmas Market will be returning this year. The market will take place on 29th November from 10.30am to 3.30pm, and feature a wonderful selection of stalls, festive refreshments, and even the chance to feed a reindeer. It's always a lovely way to mark the beginning of the festive season, and we hope to see many of you there.

I would like to remind all our readers that we do not publish a January Newsletter.

On behalf of the Parish Council, I would like to wish all residents a peaceful festive season and a happy, healthy New Year.

*Sharon Way
Clerk, Purley on Thames Parish Council*

Planning Applications

West Berkshire Council invites Purley on Thames Parish Council to comment on planning applications within the parish. The Parish Council's input is not binding upon West Berkshire Council, but comments may be considered in reaching a decision.

You can also see the details of any planning application via the [Planning Portal](#) on the WBC website. If you scroll down to the bottom of the Planning Portal webpage you will find a map showing recent planning applications in WBC. You can zoom in on the map to just see Purley on Thames. Also, an orange notice should be displayed at the boundary of any property/location subject to a planning application.

Any individual can comment on a planning application, both for and against, direct to WBC by [email](#).

The Parish Planning Committee meets about every two weeks. The meeting is open to the public and there is opportunity for you to comment on any particular application. To see the agenda for the next meeting, which details the planning applications to be considered, see [Planning Committee meeting](#).

West Berkshire Council has introduced a free online service to allow residents to check to see if planning permission is required for any possible building alterations. This service will make it easier for residents to understand if they need to submit a planning application for items such as solar panels, loft conversions, adding an outbuilding or adding a dropped kerb. You can access this new service on the West Berkshire Council ["Do I need Planning Permission?"](#) webpage.

West Berkshire Council also offer planning pre-application advice service for which a fee is chargeable. More information about this can be found on the West Berkshire Council's [pre-application advice service](#) webpage.

PSG Orchard update

Around 25 residents gathered in the Memorial Hall on 15th November to hear an update on the Purley Sustainability Group's orchard project in Bucknell's Meadow. Although this project has been in motion for some time, we are thrilled to be moving into the next and very exciting phase, which we hope you and others will be part of. The group heard from Sean Morris, a passionate expert from Blewbury, who generously shared his experience and insights. His talk helped everyone understand what to expect as the orchard develops—and why patience will be key to its long-term success.

During the meeting guests also enjoyed some excellent fruit cakes—an early taste of the treats we can look forward to once the orchard is flourishing and producing fruit in years to come.

The meeting was filled with enthusiasm and a strong sense of shared passion for the orchard's future. Residents viewed artists' impressions of the site's future development, a model of the orchard, and information about the fruit trees already purchased.

We are aiming to get planting on 6th December at 10am in Bucknell's Meadow - subject to the delivery of the trees and the weather of course.

Volunteers of all ages* are warmly welcomed at this event—whether to dig, measure, serve refreshments, or simply provide moral support.

During the meeting, PSG took the opportunity to thank everyone who has helped bring the project to this point. Grants from Purley Parish Council, Purley Park Trust, Veolia, Pangbourne Rotary, along with generous private donations, have made this work possible, supported by the expertise and enthusiasm of many volunteers.

Any queries, please do not hesitate to contact info@purleysustainability.co.uk

*Children must be accompanied by an adult.

The poster features the Purley Sustainability Group (PSG) logo in the top left corner. The main text reads "Orchard Planting Day" in large, bold, black letters. Below it, the date "6th December 2025 – 10am" and location "Bucknell's Meadow, Purley" are listed. A photograph of a green field with trees is in the background. In the top right corner, there are two small boxes: one stating "All welcome – children must be accompanied" and another stating "Weather dependent". The bottom section contains text: "Help PSG plant new fruit trees and support Purley's Community Orchard.", "Bring: Digging tools; you're comfortable using | Wear: Strong shoes, gloves, warm old clothes.", "Not a fan of digging? No problem! We need help measuring, supporting others, and assisting with refreshments — all roles are essential.", and the website "www.purleysustainability.co.uk / info@purleysustainability.co.uk".

The Rain or Shine Theatre Company are back, once again hosted by Project Purley.

It's the early 1930s and librarian Agatha Appleton finds herself embroiled in a hilarious Egyptian adventure that will test her courage, her wits, and her heart. Can our hero outsmart her enemies and uncover the mysteries of the ancient world? Or will she fall victim to the deadly traps and curses that guard the Mummy's tomb?

From the team that gave you 'Around The World in 80 Days' and 'Sherlock Holmes and The Music Hall Mystery' comes a good old-fashioned slice of Archaeological adventure heavily laced with our trademark silliness. Join Rain or Shine this Winter for an evening of side-splitting spills and thrills in a theatrical tour-de-force for all the family.
